

Sensus indexes are available in both TC and Non-TC

EXTREMELY COMPETITIVE

Vision Metering has developed replacement indexes for Rockwell/Sensus and American Gas Meters. The Sensus indexes are available for the 275 & 400 Series, both TC and non-TC. The American indexes are available for the AC 250 & AL 425 meters also for both TC and Non-TC. The American indexes have been in production since 2012, and the Sensus indexes started production in 2015. All of Vision Metering's replacement gas indexes come with a 2 year warranty.

American indexes are available in both TC and Non-TC
